

St. Lucie County WCR® Rings in the Holidays

On December 16 the St. Lucie County Chapter Women's Council of Realtors® held its last meeting of 2009 in the Education Room at the Realtors® Association of St. Lucie County. The use of the room was provided by a very generous anonymous donor. After time spent networking and exchanging holiday wishes, the meeting was opened by 2009 President Ron Albert who spoke about giving thanks for this past year's triumphs as well as the tribulations faced by the real estate industry. Albert praised the WCR membership for its resilience in attending meetings at six different venues this year! He also reported that WCR has welcomed many new members this year and is continuing to grow.

The meeting featured a delicious buffet lunch prepared by Chef Neil and a scrumptious holiday desert provided by incoming 2010 President Shirley Copenhaver. The highlight of the luncheon was a whirlwind "Yankee Swap" presided over by Patty Renna, our 2010 District III DVP, who clued us in on the rules and made sure we all played fair! Everyone ended up with a smile on their face and a fun gift to put under the tree.

Shirley Copenhaver ended the meeting with a preview of some of the events she and her leadership team have planned for next year. The monthly meetings will be held at RASL the 1st Thursday of each month from 11:30 to 1:00 and will include speakers sharing informative insights into our industry, field trips, fund raisers and fun events. We are all looking forward to the Valentine's Day Dance!

As always, St. Lucie Chapter Women's Council of Realtors® thanks it's Local and Florida State Sponsors for their continuing support.

The next event will be the Installation of 2010 Officers on Thursday, January 14, 2010 at the Pelican Yacht Club in Fort Pierce. Cocktails begin at 6:00 PM followed by a Surf & Turf dinner. For tickets please contact Theresa Rondeau at 772-201-8752 or RSVP by December 31 online at www.stluciecountywcr.com.
