## News from St. Lucie County Chapter Women's Council of Realtors®.

St. Lucie County Chapter Women's Council of Realtors® held its monthly General Membership Meeting on March 4, 2010 in the Education Room of the Realtor® Association of Saint Lucie County. After a whirlwind of meet and greet networking the meeting was called to order by 2010 President Shirley Copenhaver. She welcomed us and introduced the special guests including Deborah Bacarella WCR 2010 Florida State Governor and the day's keynote speaker. Next up were the event's generous sponsors J.P. Antoon and Greg Smith of Protech Security who gave us valuable insight into the benefits of security systems for home and business. Curtis Lowe then introduced Deborah Bacarella in the most glowing terms. Ms Bacarella took us back to the basics with her chosen subject "How to Relate to Others to Get the Job Done." The premise of her talk was that people learn differently and that we must relate to each person on their own level. After taking a short quiz we were convinced as, even in a group of people doing the same job, there were four distinct learning profiles. Before President Shirley adjourned the meeting we heard from Diane Black, Volunteer Coordinator for the upcoming "Memory Walk" in support of the Alzheimer's Association. It will be held April 24, 2010 in Tradition. Ms. Copenhaver also gave a personal special thanks to Mike Mulleady of Cutting Edge for stepping up at the last minute to help cover costs at our fun Valentine's Day Dance. Press Release 03/10
