Women's Council of Realtors® St. Lucie County Chapter Supports RPAC

Shirley Copenhaver, 2010 President Women's Council of Realtors® St Lucie County Chapter and Curtis Lowe, President Elect presented a check to John Slivon, RPAC Chairman 2010. The check represents Women's Council of Realtors® continued support of the Realtors® Political Action Committee. The presentation was made at the February 19th Breakfast meeting of the Realtors® Association of St Lucie County which was held at the PGA Country Club in St. Lucie West. The Realtors® Political Action Committee or RPAC is the voice behind many issues both on the local and state level that affect our industry and our livelihood. . Since 1969 RPAC has been promoting the election of pro-REALTOR® candidates across the United States. During the last federal election cycle alone, RPAC contributed over \$12 million to pro-REALTOR® candidates to Congress, making it the number one trade association political action committee in the nation. Financial support is critical if we are to make our voices heard. Press Release 02/19/10
